Electric and Mechanical Railway Signals
Highway Crossing Alarms
Signaling Materials and Signal Accessories

RAILROAD SUPPLIES

for

Steam and Electric Railroads

Manufactured By

Chicago Railway Signal & Supply Company
Main Office—Chicago, Illinois Works—Carpentersville, Illinois

Works-Carpentersville, Illinois

The Works of the Chicago Railway Signal & Supply Company are located at Carpentersville, Illinois, (just north of Elgin), 48 miles northwest of Chicago, on Chicago & North-Western Railroad and the Aurora, Elgin & Chicago Ry. The plant occupies both sides of the Fox River, is modern throughout, equipped with up-to-date machinery and special equipment for the manufacture of our products with accuracy and at a low cost of production. Plant is operated by water, steam and electric power, and consists of complete machine shops, forge shops, wood-working plant, electro-plating works, pattern shop, iron, brass, copper and zinc foundries.

Printed and Bound for the Chicago Railway Signal & Supply Co. By Baker, Jones & Co., Buffalo, New York
